TEHAMA COUNTY SHERIFF-CORONER APPLICATION FOR DISPOSITION OF INDIGENT-UNCLAIMED HUMAN REMAINS

Instructions and General Information

Read all of this information carefully. If you do not understand any part of it, consult with your attorney and/or contact and speak with a Tehama County Deputy Coroner.

If you have custody of the human remains and you fall under the provisions of [Health & Safety, Code Section 7100](#); if you have assets, and are not poverty stricken, you may not qualify for the Coroner's indigent cremation funding. Nevertheless, you are still required to complete and submit to the Tehama County-Coroner this application for indigent cremation if you desire consideration for indigent cremation funding.

If you have custody of the human remains but are a funeral director, cemetery authority, hospital, care facility, public guardian, care provider, or defendant of the decedent, and a reasonable effort has proved negative in locating any person as outlined in [Health & Safety, Code Section 7100](#), you may not be responsible for the costs of cremation, but you are still required, to complete and submit to the Tehama County Sheriff-Coroner this application for consideration of indigent cremation funding.

Before the Coroner will take custody of the human remains for the purpose of cremation, it is your responsibility to satisfy lawful requirements.

The following information, instructions, and forms that are included in this "DISPOSITION PACKET" are designed to help you satisfy the lawful requirements. Following the lawful requirements will help ensure that your application is processed for approval without unnecessary delay.

RIGHT TO CONTROL DISPOSITION OF THE REMAINS:

The right to control the disposition of the remains of a deceased person, including the location and conditions of interment, unless other directions have been given by the decedent, vests in, and the duty of interment and the liability for the reasonable cost of interment of the remains and devolves upon the following in the order named:

1. The competent surviving spouse.
2. The sole surviving competent adult child or children of the decedent.
3. The surviving competent parent or parents of the decedent.
4. The sole surviving competent adult sibling of the decedent.
5. The competent person or persons respectively in the next degree of kindred.
6. The public administrator when the deceased has sufficient assets.

- (b) Every licensee or registrant pursuant to Chapter 12 (commencing with Section 7600) or Chapter 19 (commencing with Section 9600) of Division 3 of the Business and Professions Code, and the agents and employees of the licensee or registrant, or any unlicensed person acting in a capacity in which a license from the Cemetery and Funeral Bureau is required, upon whom the duty of interment is imposed by law, who omits to perform that duty within a reasonable time is guilty of a misdemeanor that shall be punishable by imprisonment in a county jail not exceeding one year, by a fine not exceeding ten thousand dollars (\$10,000), or both that imprisonment and fine.
- (c) In addition, any person, registrant, or licensee described in subdivision (a) is liable to pay the person performing the duty in his or her stead treble the expenses incurred by the latter in making the interment, to be recovered in a civil action

BEFORE requiring the coroner to take possession of the remains for indigent cremation, this “Disposition Packet” must be fully and accurately completed by the person having lawful custody of the remains, when the following circumstances exist:

When no provision is made by the decedent, or where the estate is insufficient to provide for cremation, and the duty of cremation does not devolve upon any other person residing in the State, or if such person cannot after reasonable diligence be found within the State, the person who has custody of the remains may require the coroner of the county where the decedent resided at the time of death to take possession of the remains and the coroner shall inter the same manner provided for the interment of the indigent dead. ([7104 Health & Safety Code](#)).

PLEASE NOTE: If the decedent resided in another county outside Tehama County at the time of death, you must go to the Coroner or Medical Examiner of that County to file indigent cremation.
