### Inspection Violations

#### FOOD TRAINING - 16 1

"Comply by Date" Not Specified

Not In Compliance

*Violation Description:*

All food employees shall have adequate knowledge of and be trained in food safety as it relates to their assigned duties. (113947) Food facilities that prepare, handle or serve non-prepackaged potentially hazardous food, shall have an employee who has passed an approved food safety certification examination. (113947-113947.1)

*Corrective Description:*

*Inspector Comments:*

Please gather the manager's food safety training certificate and all employees food handler's certificates and keep them in the binder up front. New employees must complete food handler's training within 30 days of hire.

### Overall Inspection Comments

Thank you for all the facility improvements made to date. Please continue to work on getting thermometers in all refrigerators, establish which sink is the handwashing sink and ensure that it is equipped with soap and single serve paper towels, keep the walk-in drain container emptied, and work on deep cleaning the floors and shelving in the kitchen.
