Carrum Health is a special surgery benefit for active employees, early retirees, COBRA participants and their dependents on EIA Health Anthem, Blue Shield or Delta Health Systems plans. Bariatric surgery is only available through Carrum Health if it is a covered benefit under your employer's health plan.

*Per IRS rules, a portion of the covered travel expenses will be reported as taxable income to the employee. Due to IRS regulations, on HSA plans, the deductible applies but coinsurance is waived.
