WASTE AWARENESS E-NEWSLETTER

WASTE AWARENESS THROUGH EDUCATION

AUGUST
2024

Back To School

Make this the year your class has a waste reduction program in place! Check out the ideas below & brainstorm other ways your class can reduce waste.

Set up a paper collection box so students can reuse single sided pieces as scratch paper.

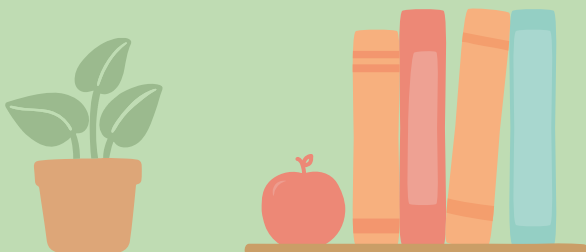

Collect beverage containers & redeem the CRV for supplies or parties.

Start a reuse corner for any extra school supplies to find new homes.

Contact the Recycling Analyst for free indoor recycling containers for your classroom!

WHAT'S RECYCLABLE AT YOUR SCHOOL?

The City of Red Bluff, City of Tehama and unincorporated Tehama County schools
City of Corning schools

4R Kids Waste Awareness Experience

- An informative presentation in the classroom about the landfill, the 4Rs, and the importance of waste awareness
- An up-close look at a garbage truck with a former driver to answer questions
- Educational waste themed games to further students' knowledge

Contact us for questions & to schedule!

Did You Know?

An aluminum can is recycled, filled with a new product, and placed on a different store shelf in just 60 days.

In 2023, Tehama County recycled over 2,000 tons of cardboard. That's as much as 10 blue whales!
